

CASINO DU LIBAN

♠♥♦♣ CASINO STUD POKER ♠♥♦♣

Casino Stud Poker is a game played with up to six players who must all be seated.

The players place their initial bet on the “Ante” box and if required take advantage of a separate bonus bet in the space provided. Five cards are dealt face down to each player and the Dealer (whose 1st card is dealt face up).

After all the cards have been dealt, the players may examine their hands which are scored in the same way as for classic poker. If they ‘fold’ they do not wish to proceed and lose their ‘Ante’ bet and their bonus bet. If they wish to proceed, they place a bet in the ‘Bet’ box. This bet must be exactly twice the amount of the ‘Ante’ bet.

When all players have made their decisions, then the dealer will examine his hand.

The dealer only qualifies to play if he has an Ace, Kind or better hand.

If the dealer does not qualify, then all players remaining in the game will win 1 – 1 on the ‘Ante’ bet.

There is no payout on the ‘Bet’. The bonus bet will win if the layer is holding a Flush or better.

If the dealer does qualify, the players whose hand outranks the Dealer’s hand are paid 1 – 1 on the ‘Ante’ and the following odds on the ‘Bet’.

100 – 1	Royal Flush
50 – 1	Straight Flush
20 – 1	Four of a Kind
8 – 1	Full House
6 – 1	Flush
4 – 1	Straight
3 – 1	Three of a Kind
2 – 1	Two pairs
1 – 1	One Pair or Less

The Bonus bet will be paid irrespective of whether the dealer qualifies or not and the following rates will be paid:

Royal Flush	2000 times bonus bet
Straight Flush	500 times bonus bet
Four of a Kind	250 times bonus bet
Full house	150 times bonus bet
Flush	100 times bonus bet
